Resolution.—Resolved that sanction of Government be obtained to the reappropriation of Rs. 400 which is the balance available under 'A. Public Works, I. Original" in the current year's District Fund budget and that the Executive Engineer be requested to meet the balance of the cost out of savings in the recently increased annual mileage allotment, since there is no other provision in the District Fund budget from which the cost can be met, the provision pointed out by Government having been already utilized for the establishment of the Karehalli toll-gate as sanctioned in Government Proceedings No. 192-3—L. B. 31-9-2, dated 11th July 1910.
